Lesson #9: "The Lord is Our Portion"

Joshua 21

2. What was unique about God's relationship with the Levites after leaving Egypt?

Read Numbers 8:5-26

3. How did God provide for the work and retirement of the Levite priests?
- 🕒 Do you think God expects those who give their life in service to Him to be taken care of today? How does that happen? How does that NOT happen?

Read 2 Chronicles 5:2-6; 11-14

4. Describe the Levite Band gathered for the dedication of Solomon's Temple for God.
- 🕒 Why do you think music has always played a vital role before God?

So, now we have seen the special purpose God has assigned to the tribe of Levi, those who would be His priests to minister in the temple and dedicate their lives to serving and creating worship and teaching. Now let's see why God has not promised them any of the land in Canaan.

Read Joshua 21:1-3

5. Wait, I thought they were not promised land in Canaan. What's the deal?

They did not have a portion, like a state or country set aside for them like the other 11 tribes. However, they were promised that they would have land for their own. However, that land was not in one place. God had the people from all the tribes give rich pasturelands and towns to their priests. Again we see God is using the people to provide for those who dedicate their lives in service to Him. Throughout chapter 21 we see how God accomplished the task.)
