

LIFE GROUP STUDY- Dr. Harley Ihm

Lifestyles 5 - “And You Will Illuminate and Season...”

Christianity is NOT about going to church. It is about a relationship with Jesus that causes each of us to make a significant difference in the world around us. Being a Christian is being a living witness to God’s glory and power.

ENCOUNTER THE WORD

1. Read Matthew 5:1-16. What does Jesus say are nine ways we can be blessed by God?

2. Jesus said that we are the salt of the earth. Does He expect us to be seasoning and preserving society?

3. How would letting your light shine before men be connected to the nine beatitudes?

4. What will be the result of being salt and light each day?

ENCOUNTER LIFE

1. What do you think is the hardest beatitude to practice?

2. What is your strongest beatitude?

3. What are some ways you could be salt and light to your family or where you work this week?

4. Name a time when someone was a witness to you.
